Dedicated to

Myself, for a better life in the future

My Parents (Mr. Elyas Tohir Siregar & Mrs. Sri Rejeki)

## ACKNOWLEDGEMENT

I could not express how I feel now when I write this page, but first of all, I want to say *Alhamdulillah* and praise is endless to Allah *Subhanahuwata'ala* who helped and allowed me to finish this thesis well.

Then, a giant gratitude to my parents; Mr. Elyas Tohir Siregar as my lovely dad and Mrs. Sri Rejeki as my beloved mom, family, and best friends who always endlessly support me in working on this thesis no matter what the obstacle is, they are the person who always calmed me down when anxiety comes and replaced it with strength.

I also express a big thanks to my supervisor Mrs. Dr. Katharina Rustipa, M.Pd, who patiently reminded and guided me carefully. To your supervisor, your service in guiding me is very much important, without that; I do not know how it will turn out now.

For all the lecturers of Faculty of English and Cultural Studies in Unisbank Semarang, who taught me from the first semester to the end, the knowledge you provided is very useful for me, because of that, I also thank to them.

I'm not good at stringing words. However, all of your roles are very important to me. So I sincerely say, thank you very much for everything given. God will repay all, *Insyallah*.
