MOTTO AND DEDICATION

MOTTO

Not many will change in your life, there will always be things that will raise your eyebrows and they are going to be very questionable for us and no matter how hard you tried to find the bottom of things; no matter how hard you bend and spin your brain and tweak them perspectives; you can never be able to change them. Pick a corner and learn to find peace in aloneness there, learn how to be brave enough so you can speak only the truth when needed, and most importantly; learn to smile and go. Don't worry: you can always be you. Be prepared to have an extra bar of hope that you are going to find a place where you can just smile so freely without feeling like a stranger in your own backyard.
