Dear Sri,

You need to write the article in accordance to author guidelines (<http://www.mnje.com/en/author-guidelines>) and then send it again.

Then, we need to send it to outside reviewers. The article needs to get 3 positive reviews. The price for the reviews is €500. You pay only if you pass the reviews. Payment is preferably through Western Union and PayPal. We also need your statement that the work has not been published or sent to another magazine, you can confirm this through mail. Our magazine has Scopus Q2 category. <https://www.scopus.com/sourceid/21100854712?origin=resultslist>

Best regards,

MNJE Team

Dear Sri,

We have formatted the article but you did not write it according to author guidelines, you can see them here --

> <http://www.mnje.com/en/author-guidelines>.

Please change it to be in accordance to the guidelines.

You need to:

- reduce the number of references to max. 30 sources
- align all references with sources in the text
- submit your scientific titles (highlighted in yellow)
- make references correctly (as we did in the first 5 references).

If you resubmit your article without any updates, we will be forced to cancel it.

Best regards,

Nikola
